

DELTA PSI TRIBUNE

Delts Fall Rush 2014

Letters of Distinction Lives of Excellence

The Delta Psi chapter recently had its most successful Fall rush, with new inspired pledges. With the help of President Matthew Park's speech and a rush video that summed up the Spring and Summer quarters at Delta Psi, prospective new members flocked to the house on the three day Rush event. The fall

pledge class of 19 was formally initiated on December 8, 2014. Winter quarter is just around the corner and the brothers are ready to recruit quality men to join the Delta Psi chapter. Currently, we are set to break the 60-70-quality member mark by the end of the 2014-2015 school year.

UPCOMING EVENTS

WINTER ELECTIONS

A new executive board will be elected on the 2nd week of January by the chapter and will begin their term starting in Spring quarter. In winter, they will shadow their positions with the current executive members. A new executive position will be made as directed by the Road 2.0 program designed by Nationals. This new position will be called Director of Member Development and will be responsible for the continuing growth and maturity of new members as they adjust to being active members of the Delta Psi chapter.

SNOWED IN QUARTERLY

The annual Delt quarterly Snowed In party is coming up this Winter. Last year's event attracted more than 2,000 students to the Delt House. As always the chapter will host a rave at Delta Psi with a full tent, DJ, light system, and stage set up in the backyard. Keep your eye out for the promotional video.

THE FUTURE OF DELTA PSI

The future of the chapter looks promising with the recruitment of leadership-oriented men who are inspired to help the house grow in the coming years. It has only been three years since the Delta Psi chapter was a fully chartered Delta Tau Delta organization. The Delt House is projected to be at full capacity for the coming school year. With the current guidance from the Delta Psi Building Company and

the recent Alumni graduates, the chapter has set a good foundation to grow from. Renovations on the Delt House are underway with professional contractors looking into upgrading the backyard, chapter room, personal kitchens and bathrooms, front yard, and sewer lines. The chapter is excelling and expanding at an exciting rate.

SAVE THE DATE : ALUMNI WEEKEND APRIL 24-25, 2015

Last year's Alumni Weekend saw a great turnout with the new Delt generation networking with the older generations of Deltas. The weekend started off at Joe's in downtown Santa Barbara with Deltas from the 60's and 80's enjoying themselves with their old brothers and reminiscing of the good old college days at UCSB. The weekend was wrapped up at the Delt House with a BBQ and refreshments organized by John Guyer, the current Alumni chair of the chapter. Older Deltas brought

their own college photo albums to show the newer Delt members what the house looked like when they were here in the 80's. The chapter and Delta Psi Building Company are currently planning this year's Alumni Weekend and are expecting the biggest turnout in Delta Psi history. Please save the dates April 24-25, 2015 and an RSVP email will be sent out as soon as possible.

*I believe in Delta Tau Delta
for the education of youth
and inspiration of maturity
so that I may better learn and
live the truth*

REMEMBERING A DELT SWEETHEART

Last year's tragedy on May 23rd had a great impact on the brothers at the Delta Psi chapter. They lost a house sweetheart to a senseless act of violence. Katie Cooper was more than just a friend to the house but she was many of the reasons the brothers had great memories at the house. She always provided her time to help with projects, recruitment, or even booting people out of the house during social events. Her artwork can be seen all around the house including the painted artwork on unit 8's door or the murals in unit 2. To memorialize Katie Cooper and her impact on the Delta Psi chapter, she was placed on the composite as the house sweetheart. The chapter had a rough end to the last school year but they will continue to remember the life of our sole Delt sweetheart as we continue to make this year a memorable one.

FALL 2014 QUARTER RECAP

The Fall quarter was busy to say the least. The chapter had their weekly socials with the different sorority houses along with Delt Friday parties, philanthropies, and Greek Life workshops provided by the school. In addition, with the chapter's focus on academics, our Director of Academic Affairs organized weekly study hours at the Student Resource Building. This quarter, the social committee has steered away from open parties and organized more date parties on Sundays. These date parties consist of Deltas with their dates enjoying a nice dinner and good company at the Delt house before the start of a new hectic week at UCSB. The highlight of the quarter was when the Deltas won 1st place at Alpha Delta Pi's Wiffle Ball philanthropy, which raises money for the Ronald McDonald House. In addition, the house also won the Pop-Tab challenge organized by ADPi by collecting the most pop tabs within the Greek system. As the Deltas enjoy their Winter break with their families, they can look forward to upcoming fraternity events including Winter Rush, Elections, Delt Paintball, Brotherhood Camping Trip, Vegas Date Trip, West Pac Conference, and for the seniors, graduation in June.
