

2016 Fall Rush

Recruitment:

Last quarter we had one of our most successful recruitment classes ever. Thanks to the work of our previous Rush Chair, Jimmy Moynihan, fall rush 2016 brought us our second largest pledge class ever. Seventeen people from the fall were initiated at the start of this year, bringing total membership up to 70. With spring rush right around the quarter, we're looking forward to another large pledge class ready to devote themselves to lives of excellence.

Lives Of Excellence

New Class of Fall 2016

Up Coming Events:

Alumni Weekend April 28th to the 29th

In the past year Delta Psi was successful in numerous philanthropies. In Kappa Kappa Gamma's "Color Dash" our runners dominated, with three of them placing in the top ten. Troy Dao ended up being Delt's fastest runner that day, and his second place finish overall helped seal our victory. Recently Delta Psi held its own fundraiser, the "Third annual Delt Classic."

Delta Psi

Throughout 2016, the brothers of the Delta Psi Chapter, have Grown significantly. Our chapter has made an impact on our Surrounding community this past year through participating in Events such as philanthropies within Greek Life, on campus Intramural sports, and volunteering at local JDRF charity Fundraiser. Additionally, as a chapter we were able to raise the Average GPA of all members to a 3.0. This year, we decided to Further promote the brotherhood within our fraternity by hosting many events aimed at focusing on member development of strong interpersonal, time management and various important life skills.

Congratulations To Our New Exec Board!
